Bilateral Meetings

- (2 p.m - 5 p.m.)

Description

Nordic by Hand produce nordic design and interior for all seasons. We focus on high quality products built from sustainable materials. Designs from Nordic By Hand works just like every other piece of design - It needs to have a prominent place, from where it can be looked at and make a great expression in the home. The idea is for the elements to be used in several places of the house to create joy and a nice atmosphere.
